

8th Grade End-of-Year Activities Requirement

Dear Parents/Guardians,

Our 8th grade Catalina trip along with end-of-year activities are around the corner. To ensure we have safety in place, ALL students must demonstrate good citizenship and not pose a safety or disciplinary risk. In addition, teamwork, good character, and participation are essential to the success of our field trip. In accordance with MUESD Board Policy and Administrative Regulation 6153: School Sponsored Trips, any conduct referral leading up to the Catalina trip may disqualify a student from participating in end-of-year activities.

If you have any questions, you may contact us.

Thank you for your support.
