## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

McCabe Union Elementary School District occupies approximately 35 acres of property at the corner of McCabe and Austin Roads in Imperial County. This includes 20 acres west of the main McCabe campus that were purchased from Mr. and Mrs. Virgil Corfman in 2006. The development of this property was completed during the summer of 2008 and the Corfman portion of the District is used to house students in 4th through 8th Grade and was officially opened in the fall of 2008.

McCabe Union Elementary School District is located just southwest of El Centro. Our TK through 8th Grade district is considered a rural school that feeds into the Central Union High School District. California Longitudinal Pupil Achievement Data System (CALPADS) enrollment for Fall 2021 was 1261 students. The socioeconomics of the school community are comprised of a wide range of occupations, from professionals to unskilled laborers. One indicator of the economic status is the number of federally funded free or reduced lunches served in the District. The Fall 2021 Unduplicated Pupil Percentage (UPP) was 41%. Student enrollment continues to decline and it is the District's goal to continue with a 24:1 in TK through 3rd Grade. The was designated a California Distinguished School during the 2005-2006, and 2011-2012 school years. The California Department of Education recognized the McCabe Union Elementary School District as an outstanding educational program and awarded the District the California Gold Ribbon Schools Award during the 2015-2016 school year.

Although our school has been affected by COVID-19, our mission remains the same which is to be the model of educational excellence, innovation and leadership. We are committed to work collectively with students, families, and the community. We are dedicated to provide a safe and conducive environment for learning.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	55.9	100.0	55.9	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### 2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21
<b>Permits and Waivers</b>	1.0
<b>Misassignments</b>	1.0

## 2020-21 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21
Credentialed Teachers Authorized on a Permit or Waiver	0.0
Local Assignment Options	0.0
Total Out-of-Field Teachers	0.0

## 2020-21 Class Assignments

Indicator	2020-21
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.9
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

It is a priority at McCabe School that there are sufficient textbooks and other instructional materials to appropriately support each student’s educational program. Each student is supplied with textbooks that have been adopted by the State of California, for use at home and in the classroom. New textbooks in specific subject areas are purchased according to a schedule prescribed by the State. Staff members make recommendations for textbooks and instructional materials to the administration for the final decision. On the average, textbooks are expected to last from five to six years. Prior to the first year of implementation, teachers, administrators, and instructional support personnel are trained in the use of the new textbooks and materials.

A new 6 year K-8th grade subscription for ELA (Journey/Collections) and mathematics (GoMath) was purchased at the beginning of the 2019-2020 school year. In 2019-20 Houghton Mifflin Harcourt science curriculum was purchased for K-8. Pearson Social Studies textbooks were adopted in 2018-19 for K-8 grades. All textbooks being used are on the most recent State-approved list. The PBL Business Foundations class is provided through the Business and Finance pathway. Visual and Performing Arts activities and curriculum are covered and conducted in general education classes. An additional enrichment component of the Visual and Performing Arts is the Band and Orchestra program offered after school. Due to COVID-19, the district purchased licenses for the following digital programs/applications for teachers to and students to use during distance learning: ABC Mouse, Remind App, Mystery Science, iReady, See-Saw, Google Classroom, Renaissance Learning, Epic, Zoom, Nearpod, Typing Club, Flipgrid, etc.

## School Facility Conditions and Planned Improvements

**General:** The District takes great efforts to ensure the District is clean, safe, and functional. Below is more specific information on the condition of the school and the efforts made to insure students are provided with a clean, safe, and functional learning environment.

**Safety:** Staff members supervise students during morning, lunch, and other normally scheduled recesses. Considering the school site is located in the country, staff members are on constant alert for vehicles or visitors that appear out of place. Visitors are required to check in at the main office prior to proceeding to their destination through our Raptor- Visitor Management System. The Raptor system allows the school to screen visitors, contractors, and volunteers in our schools and provides us with a safer environment for our students and staff. The safety of our students is our highest priority and the Raptor visitor management system allows us to quickly identify those that may present a danger to them. For incident reporting and escalation we have implemented Catapult EMS- software enhances the safety of students and staff with real-time communication and information management. For students who participate in sports or other after-school activities, supervision is provided until students are picked up or other means of transportation/supervision is arranged. All other students either ride the bus or are picked up during their scheduled dismissal time. Parents can provide temporary permission for alternative travel. This process is monitored through the McCabe School blue note process. Fire drills are conducted monthly and evacuation maps are posted throughout the school. Safety meetings are conducted throughout the year and administration is available to staff, parents, and students concerning all issues addressing safety.

The Corfman portion of the campus opened during the fall of 2008 and a new bus shed was constructed on the southeast portion of the property; the old bus shed was removed from the property during the 2008-09 school year. The Corfman side has four main wings with 30 classrooms and a science lab, a cafeteria/multipurpose room with attached band room, a library building with two attached classrooms, two portable classrooms on the west side of the campus, and a school/district administrative building. A school gym was added in 2017. Students in grades 4-8 attend classes in the Corfman section of the campus. The original McCabe campus is over 100 years old and houses Tk-3rd grade. Maintenance and Repair: District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. McCabe School did not experience any emergency concerns related to gas leaks, non-functioning heating, ventilation, or air conditioning systems, electrical power failure, major sewer line stoppage, pest or vermin infestation, broken gates or windows that pose a security risk, undiscovered hazardous materials, or structure damage creating a hazardous or uninhabitable condition.

The school was awarded with the Full Day Kindergarten Facilities Grant Program (FDKFGP) and at the beginning of the 2021-2022 school year, the construction of three new Kindergarten classrooms began. The project is expected to be completed by February of 2022. WATER PLANT, SEWER PLANT, ROOF

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parent involvement represents an important strategy in promoting student achievement. Teachers, office staff, and administrators keep parents informed as to student progress and attendance. In addition to quarterly report cards, mid-quarter progress reports are sent out. Parents with 1st through 8th grade students are also able to check grades on ParentVUE which can be accessed through the District's website at [www.muesd.net](http://www.muesd.net). The School Site Council (SSC), the District English Language Advisory Committee (DELAC), and Title 1 continue to provide more opportunities for parent participation in the school. Parent/guardian and family engagement opportunities can be found through the district school mass email notifications, phone calls, website, home mailings, and the Friday electronic newsletters. The District's outreach is coordinated at the Back-to-School Night in August and Spring Fling in May. Due to COVID-19, many on campus activities have been modified to allow for some visitors/spectators on campus. Any visitors that go into a student's classroom must first show proof of a negative test result for COVID-19. Parents have been able to participate in our PeaceBuilder Award's Ceremony, special grade level programs, after school sports, and volunteer in the classrooms.

Parents and community partners are coordinated through the PTO, DELAC, Title 1 and School Site Council. Parent/guardian and family engagement activities include the collaboration of student academic achievement and school performance, reviewing state and local assessments, technology use, personnel updates, available resource centers, and external support services. Parent/guardian and family engagement is scheduled regularly throughout the year. Parents/guardians may access school resources and learning software from home. Parents/guardians may also access student progress through our Student Information System-Synergy ParentVUE. Parent/guardian requests for support services are voiced and addressed through the stakeholder meetings, face-to-face meetings, surveys, etc. Historically, many McCabe parents take an active part in the school by volunteering to help in the classroom and with programs such as the Halloween Carnival, the See's Candy fundraiser, Olympics, upper grade athletics, field trips, eighth grade trip, sixth grade camp program, and school projects. With an abundance of caution, some activities have been cancelled due to COVID-19. Parent/guardian conferences are embedded in the school calendar to provide an opportunity to meet individually with teachers to discuss student progress, state/local assessments, and any potential achievement gaps. Parents/guardians may access school resources and learning software from home. Parents/guardians may also access student progress through our Student Information System-Synergy ParentVUE. Google classroom and Seesaw are the two major electronic platforms being used to support online services for teachers, students and parents/guardians.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.07	0.00	0.07	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Our District is committed to providing a safe, attractive, and orderly environment that promotes learning. Staff members are issued the emergency procedures plan and are in-serviced on the following: child abuse reporting, procedures for campus disasters and crisis, sexual harassment, dress code, and school discipline. Students are held accountable for attendance and tardies. The school has created a positive climate for students and staff where parents are welcomed partners in their child's education. The School Safety Plan is distributed to all staff at the beginning of each school year and it is continuously revised as the need arises each year by the Safety Plan Committee. The District practices our Emergency Preparedness Drills, which includes modified and full lock down drills, evacuation drills, and reunification drills. This allows all departments to know their role in the event of an emergency.

Due to COVID-19, many school activities have been modified to limit the number of visitors on campus. McCabe is a COVID-19 testing site that allows unvaccinated staff the opportunity to get tested onsite.

Our District also participated in the California Healthy Kids Survey. The District's focus was cyber bullying and character development. Character development is anchored in the Peace Builders Program. The McCabe School Safety Plan is updated annually by March 1st and is available to view on the District's website.

## Professional Development

Staff members are encouraged to take advantage of conferences, workshops, college courses, and other means of professional development. Within the last three year period, the District has provided in-service opportunities for the District staff in the following areas: English Language Learner Development, CPR/first aid, Accelerated Reader, Accelerated Math, Response to Intervention and Excel, physical education, strategies for responding to bullying, Individualized Education Plans, child abuse recognition, abuse training, Teacher Induction Program, Close Reading Strategy, classroom management, GATE, CCSS Mathematics in a Secondary classroom, New Generation Science Standards, New Generation History Standards, Synergy Student Information System (SIS), Nonviolent Crisis Intervention, Healthy Kids, and various other trainings, Google applications, and Distance Learning programs/tech support. Teachers are supported during implementation via in-class coaching, and team meetings, teacher-principal meetings. Individual staff members attended bus driver training. Most trainings are offered during the summer, after school, or during minimum days during PD time.

Teachers are afforded the opportunity to request training that appropriately meets their individual needs and other trainings are assigned as designated by administrative discretion. Four staff days were dedicated to professional development, while additional training is offered during weekends or after-school. The District also provides seven (7) minimum days dedicated to Staff Development.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

# Local Accountability Report Card (LARC) Addendum

## 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
