1. Students who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals

(cf. 6173.1 - Education for Foster Youth)

2. Students who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings

4. Migratory children who qualify as homeless because they are living in conditions described in items #1-3 above

Unaccompanied youth includes youth who are not in the physical custody of a parent or guardian. (20 USC 11434a)

School of origin means the school that the homeless student attended when permanently housed or the school in which he/she was last enrolled, including a preschool. If the school the homeless student attended when permanently housed is different from the school in which he/she was last enrolled, or if there is some other school that he/she attended within the preceding 15 months and with which he/she is connected, the district liaison shall determine, in consultation with and with the agreement of the homeless student and the person holding the right to make educational decisions for the student, and in the best interests of the homeless student, which school shall be deemed the school of origin. (Education Code 48852.7; 42 USC 11432)

Best interest means that, in making educational and school placement decisions for a homeless student, consideration is given to, among other factors, educational stability, the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress, and the student's access to academic resources, services, and extracurricular and enrichment

activities that are available to all district students. (Education Code 48850, 48853; 42 USC 11432)

Enrollment

The district shall make placement decisions for homeless students based on the student's best interest. (42 USC 11432)

In determining the best interest of the student, the district shall consider student-centered factors related to the student's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the student's parent/guardian or, in the case of an unaccompanied youth, the youth. (42 USC 11432)

Such factors may include, but are not limited to, the age of the student, the distance of the commute and the impact it may have on the student's education, personal safety issues, the student's need for special instruction, the length of anticipated stay in the temporary shelter or other temporary location, likely area of future housing, school placement of siblings, and the time remaining in the school year.

However, placement decisions shall not be based on whether a homeless student lives with his/her homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of his/her appeal rights. (42 USC 11432)

In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in his/her school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if he/she: (Education Code 48852.7; 42 USC 11432)

1. Has outstanding fees, fines, textbooks, or other items or monies due to the school last attended

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

2. Does not have clothing normally required by the school, such as school uniforms

(cf. 5132 - Dress and Grooming)

3. Is unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and records of immunization and other required health records

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5125 - Student Records)

(cf. 5141.26 - Tuberculosis Testing)

(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)

4. Has missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall refer the parent/guardian to the district liaison for homeless students. The district liaison shall assist the parent/guardian, or the student if he/she is an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than his/her school of origin or the school requested by his/her parent/guardian or an unaccompanied youth, the Superintendent or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the decision along with a statement regarding the right to appeal the placement decision. (42 USC 11432)

The student may continue attending his/her school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the homeless student has the benefit of matriculating with his/her peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, he/she shall be allowed to continue in the same attendance area.
2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, he/she shall be allowed to continue to the school designated for matriculation in that district.

If the student's status changes before the end of the school year so that he/she is no longer homeless, he/she shall be allowed to stay in the school of origin: (Education Code 48852.7)

1. Through the duration of the school year if he/she is in grades K-8
2. Through graduation if he/she is in high school

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection, or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the right of the

parent/guardian or unaccompanied youth to appeal such decisions. (42 USC 11432)

The written explanation shall include:

1. A description of the action proposed or refused by the district
2. An explanation of why the action is proposed or refused
3. A description of any other options the district considered and the reasons that any other options were rejected
4. A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources
5. Appropriate timelines to ensure any relevant deadlines are not missed
6. Contact information for the district liaison and state coordinator, and a brief description of their roles

The written explanation shall be complete, as brief as possible, simply stated, and provided in language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

1. Inform them that they may provide written and/or oral documentation to support their position
2. Inform them that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved
3. Provide them a simple form that they may use and turn in to the school to initiate the dispute resolution process
4. Provide them a copy of the dispute form they submit for their records
5. Provide them the outcome of the dispute for their records

If a parent/guardian or unaccompanied youth disagrees with the liaison's enrollment decision, he/she may appeal the decision to the Superintendent. The Superintendent shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Transportation

The district shall provide transportation for a homeless student to and from his/her school of origin when the student is residing within the district and the parent/guardian, or the district liaison in the case of an unaccompanied youth, requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend his/her school of origin within this district, the Superintendent or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. (42 USC 11432)

(cf. 3250 - Transportation Fees)

(cf. 3541 - Transportation Routes and Services)

The district shall not be obligated to provide transportation to students who continue attending their school of origin after they cease to be homeless, unless the formerly homeless student has an individualized education program that includes transportation as a necessary related service for the student.
